## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance:

The present invention is directed to a recording apparatus. The only independent identifies a distinct features "management file processing unit changes a value of the link count information in correspondence with a change in reproduction sequence of the reproduction control information and determines, based on a value of the link count information of information data corresponding to a deletion instruction, whether or not the deletion information is to be appended to the management file". The closest prior art, Okada et al. (US 6,266,483 B1) and Kanai et al. (US 6,816,666 B1) disclose an information recorder having link count information, either singular or in combination, fail to anticipate or render the above underlined limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
